

Service Selection Form

Pricing

Setup Costs

The setup costs will be debited at the time of the first debit order run. Please note that the first debit order will be a larger amount than all subsequent debit orders as a result of the setup costs.

Option	Description	Price
1 - Transfer	All data for the initial backups will be transferred over the internet. Transfer is charged according to disk space allocated to the client.	R0.13 per MB
2 - Copy and send	All data will be copied to disk by the client, burned to a CD or DVD and then sent to Gbackup	R80.00 per CD R100.00 per DVD
3 - Courier	We will courier an external hard drive to you, and arrange a courier to send it back to us.	R200.00 per drive + courier fees

Licensing

Licensing is the rental fee for the software required to perform the backups. All updates to the software will be free of charge.

Platform	Quantity	Description	Price per license
Windows 95, 98, 2000, ME and XP	1 - 10	Standard desktop and laptop license including all basic features and telephonic support for the user.	R50.00
Windows 95, 98, 2000, ME and XP	11 - 50	Standard desktop and laptop license including all basic features and telephonic support for the user.	R40.00
Windows 95, 98, 2000, ME and XP	51 - 250	Standard desktop and laptop license including all basic features and telephonic support for the user.	R35.00
Windows 95, 98, 2000, ME and XP	250+	Standard desktop and laptop license including all basic features and telephonic support for the user.	R30.00
Windows Server 2000, 2003	1	The server license has the same functionality as the desktop and laptop license, however it also includes plug-ins for exchange server and SQL server.	R250.00

Storage

Storage is the compressed storage allocation provided to users on our servers. Typical compression will range from 50% – 80%, but may vary depending on the type of files being backed up. We do allow pooled storage with a quantity of 2 or more licenses within a business environment.

Storage Pack	Pack size	Cost per MB	Cost per month
1	50MB	R0.60	R30
2	100MB	R0.55	R55
3	500MB	R0.24	R120
4	1GB	R0.16	R160
5	5GB	R0.15	R750
6	10GB	R0.14	R1400
7	50GB	R0.12	R6000

*Please note that all service exclude VAT.
